 **Welcome to the Stanford Catalyst proposal submission site.**

Please submit your Catalyst proposals here. We are using software developed to help review papers for a conference. So for this site, read author as PI, or co-PI, and your affiliation is your department at Stanford.

To use this site, you will need to first register and create an account. Please click the *Create an account* link under the login information. Once you enter minimal information, a script will provide you your login information and mail it back to you. You can then use this information to submit your proposal.

How to submit your proposal

When you get to the proposal submission page, you will need to 1) enter your abstract directly to the website, 2) Upload the .pdf of your proposal and 3) enter the PI and co-PI (author) information 4) Check any of the topic areas that relate to your proposal. Step 4) is only to help us sort the paper, and is not used in the review process directly.
